**Enhance Partnering, Leadership and
Management
Goal Implementation Team**

Biennial Strategy Review System (Learn more [here](#) and [here](#).)

The background features a series of overlapping, angular shapes in various shades of green and teal. A large, dark teal shape forms a peak at the top left, while other lighter green shapes create a layered, mountain-like effect across the top and bottom of the slide. The central area is a solid teal color where the text is located.

2.

Budget & Finance Workgroup

The background consists of several overlapping geometric shapes. At the top, there's a dark teal triangle pointing downwards. Below it, a light green trapezoid extends to the right. The central part of the image is a large teal trapezoid. At the bottom, there's another dark teal triangle pointing upwards, and a light green trapezoid extending to the left. The overall effect is a modern, abstract landscape.

3.

Local Leadership Workgroup

The background consists of several overlapping geometric shapes. At the top, there's a dark teal triangle pointing downwards. Below it, a light green trapezoid points upwards. The central area is a large teal trapezoid. At the bottom, there's another dark teal triangle pointing upwards, and a light green trapezoid pointing downwards. The overall effect is a layered, mountain-like or landscape-like composition.

Professional Development

➤ Coral Reef Research

➤ Climate Change

➤ Tidal Trends

➤ Marine Ecology

The background features a series of overlapping, angular shapes in various shades of green and teal. A large, dark teal shape forms a wide, shallow 'V' or mountain-like silhouette in the upper half. Below this, a lighter teal shape extends across the middle. The bottom half is composed of several overlapping shapes in different shades of green, creating a layered, landscape-like effect.

What's Next for Emily?

An aerial photograph of the Chicago skyline, featuring numerous skyscrapers, a multi-lane highway, and a marina filled with sailboats. Three overlapping triangles are superimposed on the image: a light green triangle on the left, a teal triangle in the center, and a dark teal triangle on the right. Each triangle contains text, and their right-pointing tips are aligned horizontally.
