

# Staffer Updates

Kyle Hinson

# A Brief History of Kyle

- Graduated from UNC, B.S. Environmental Science, Minor Physics
- EWB, ESL

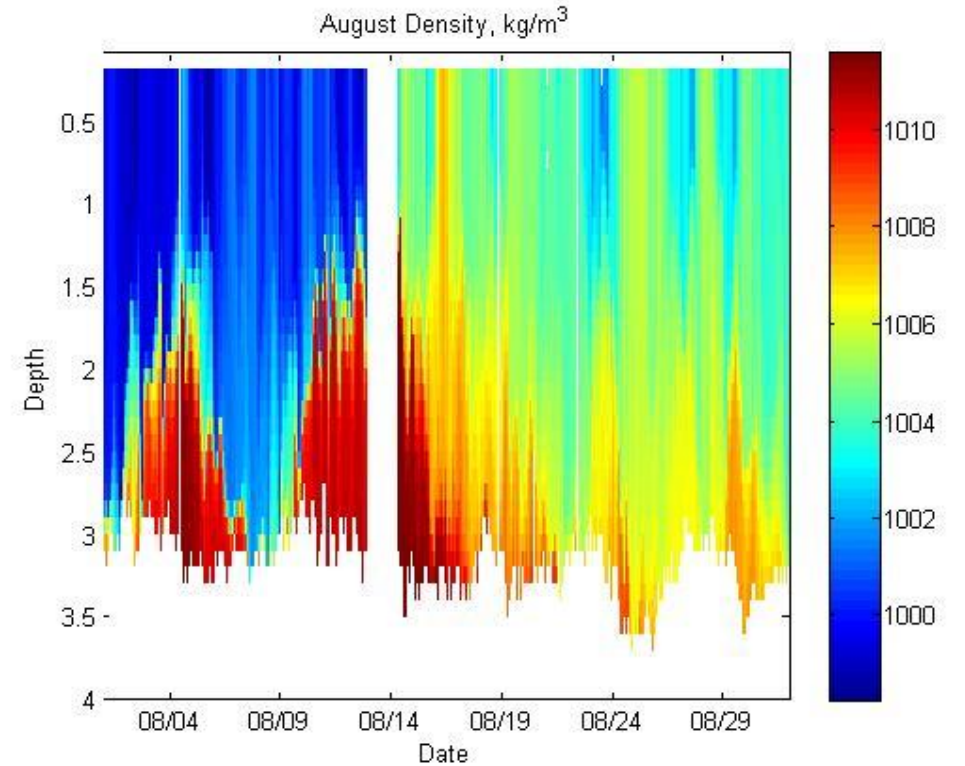

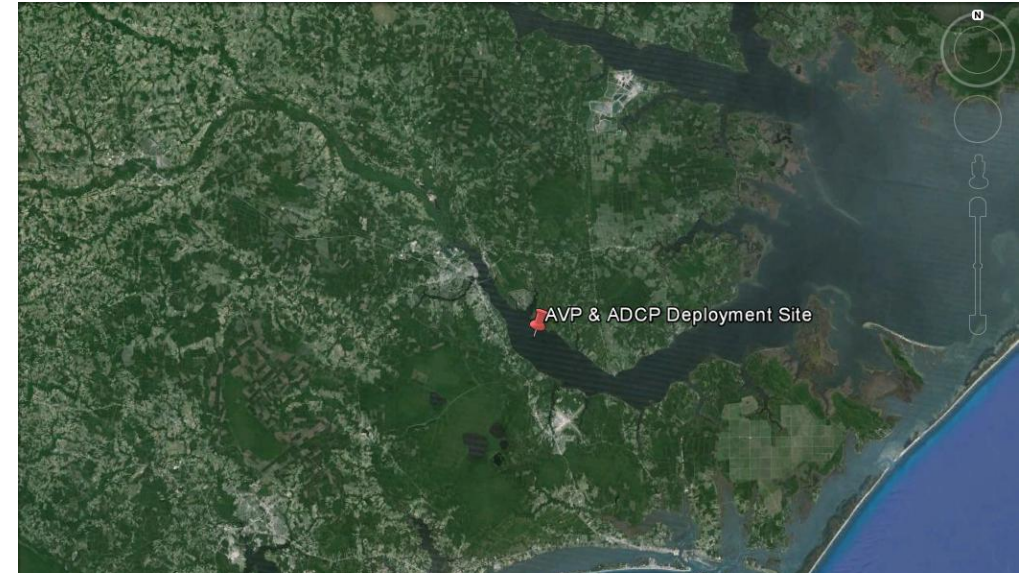

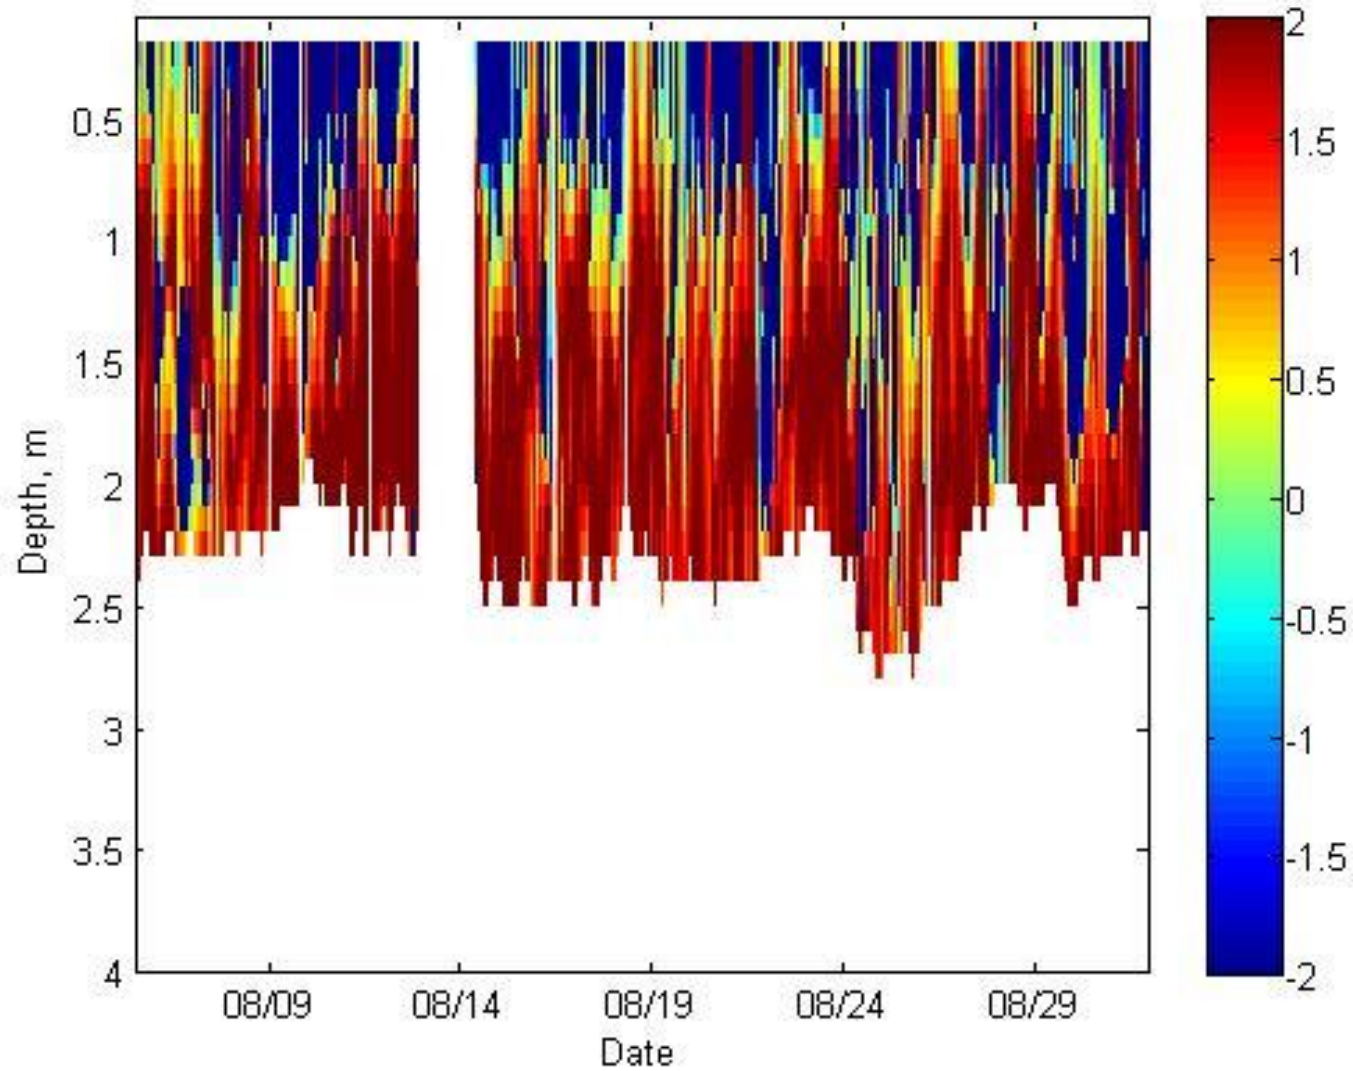

# A Brief History of Kyle (contd.)

# Becoming Professional

# Schoolwork

# RivWidth

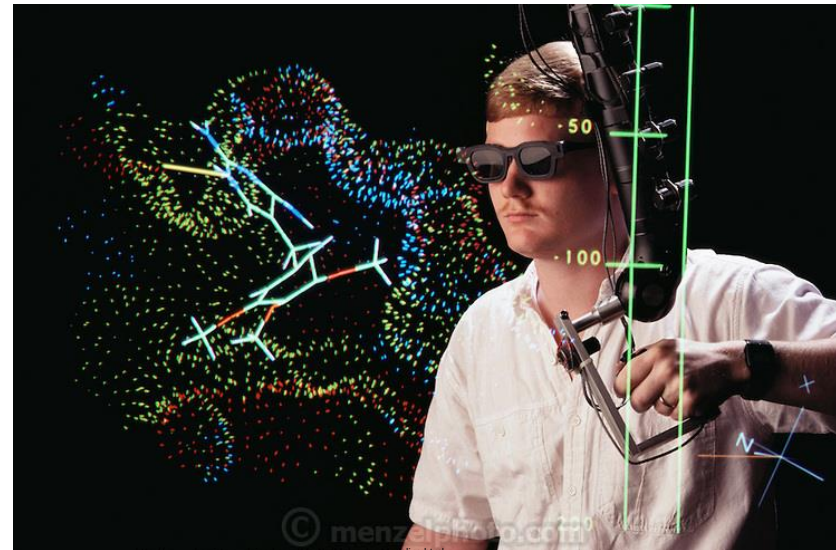

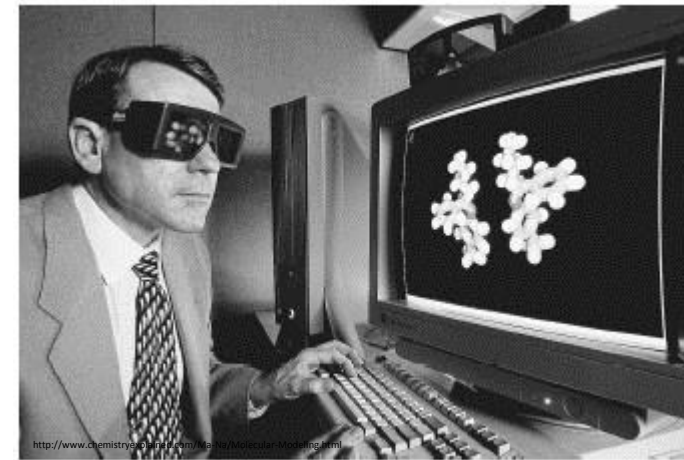

# Watershed Stewards Academy

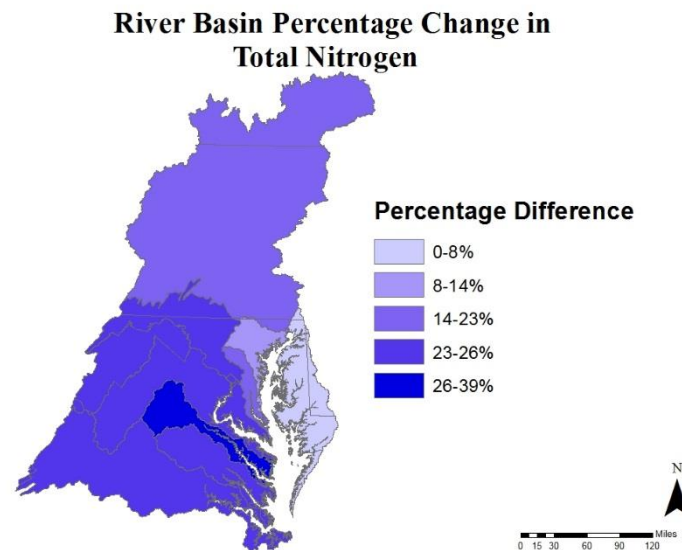

# Bay Program Activities

- Better represent watershed loads and their effects on water quality, inform management decisions
- Identify drivers of change in water quality
- Integrate climate change into management efforts

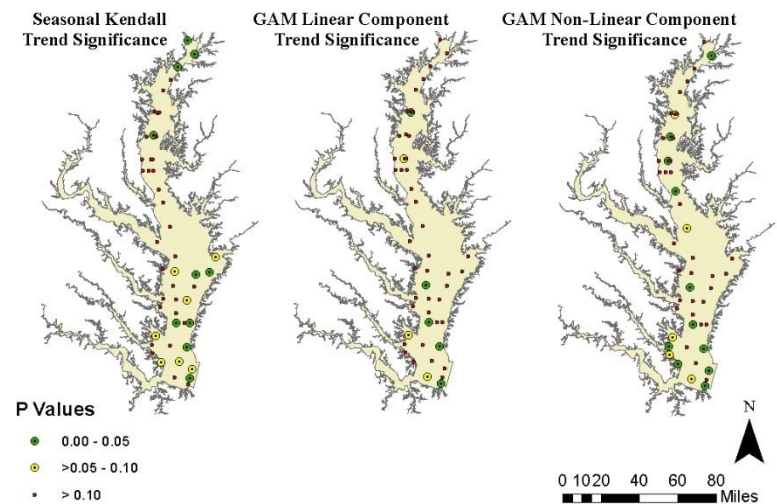

# Professional Development and Independent Project

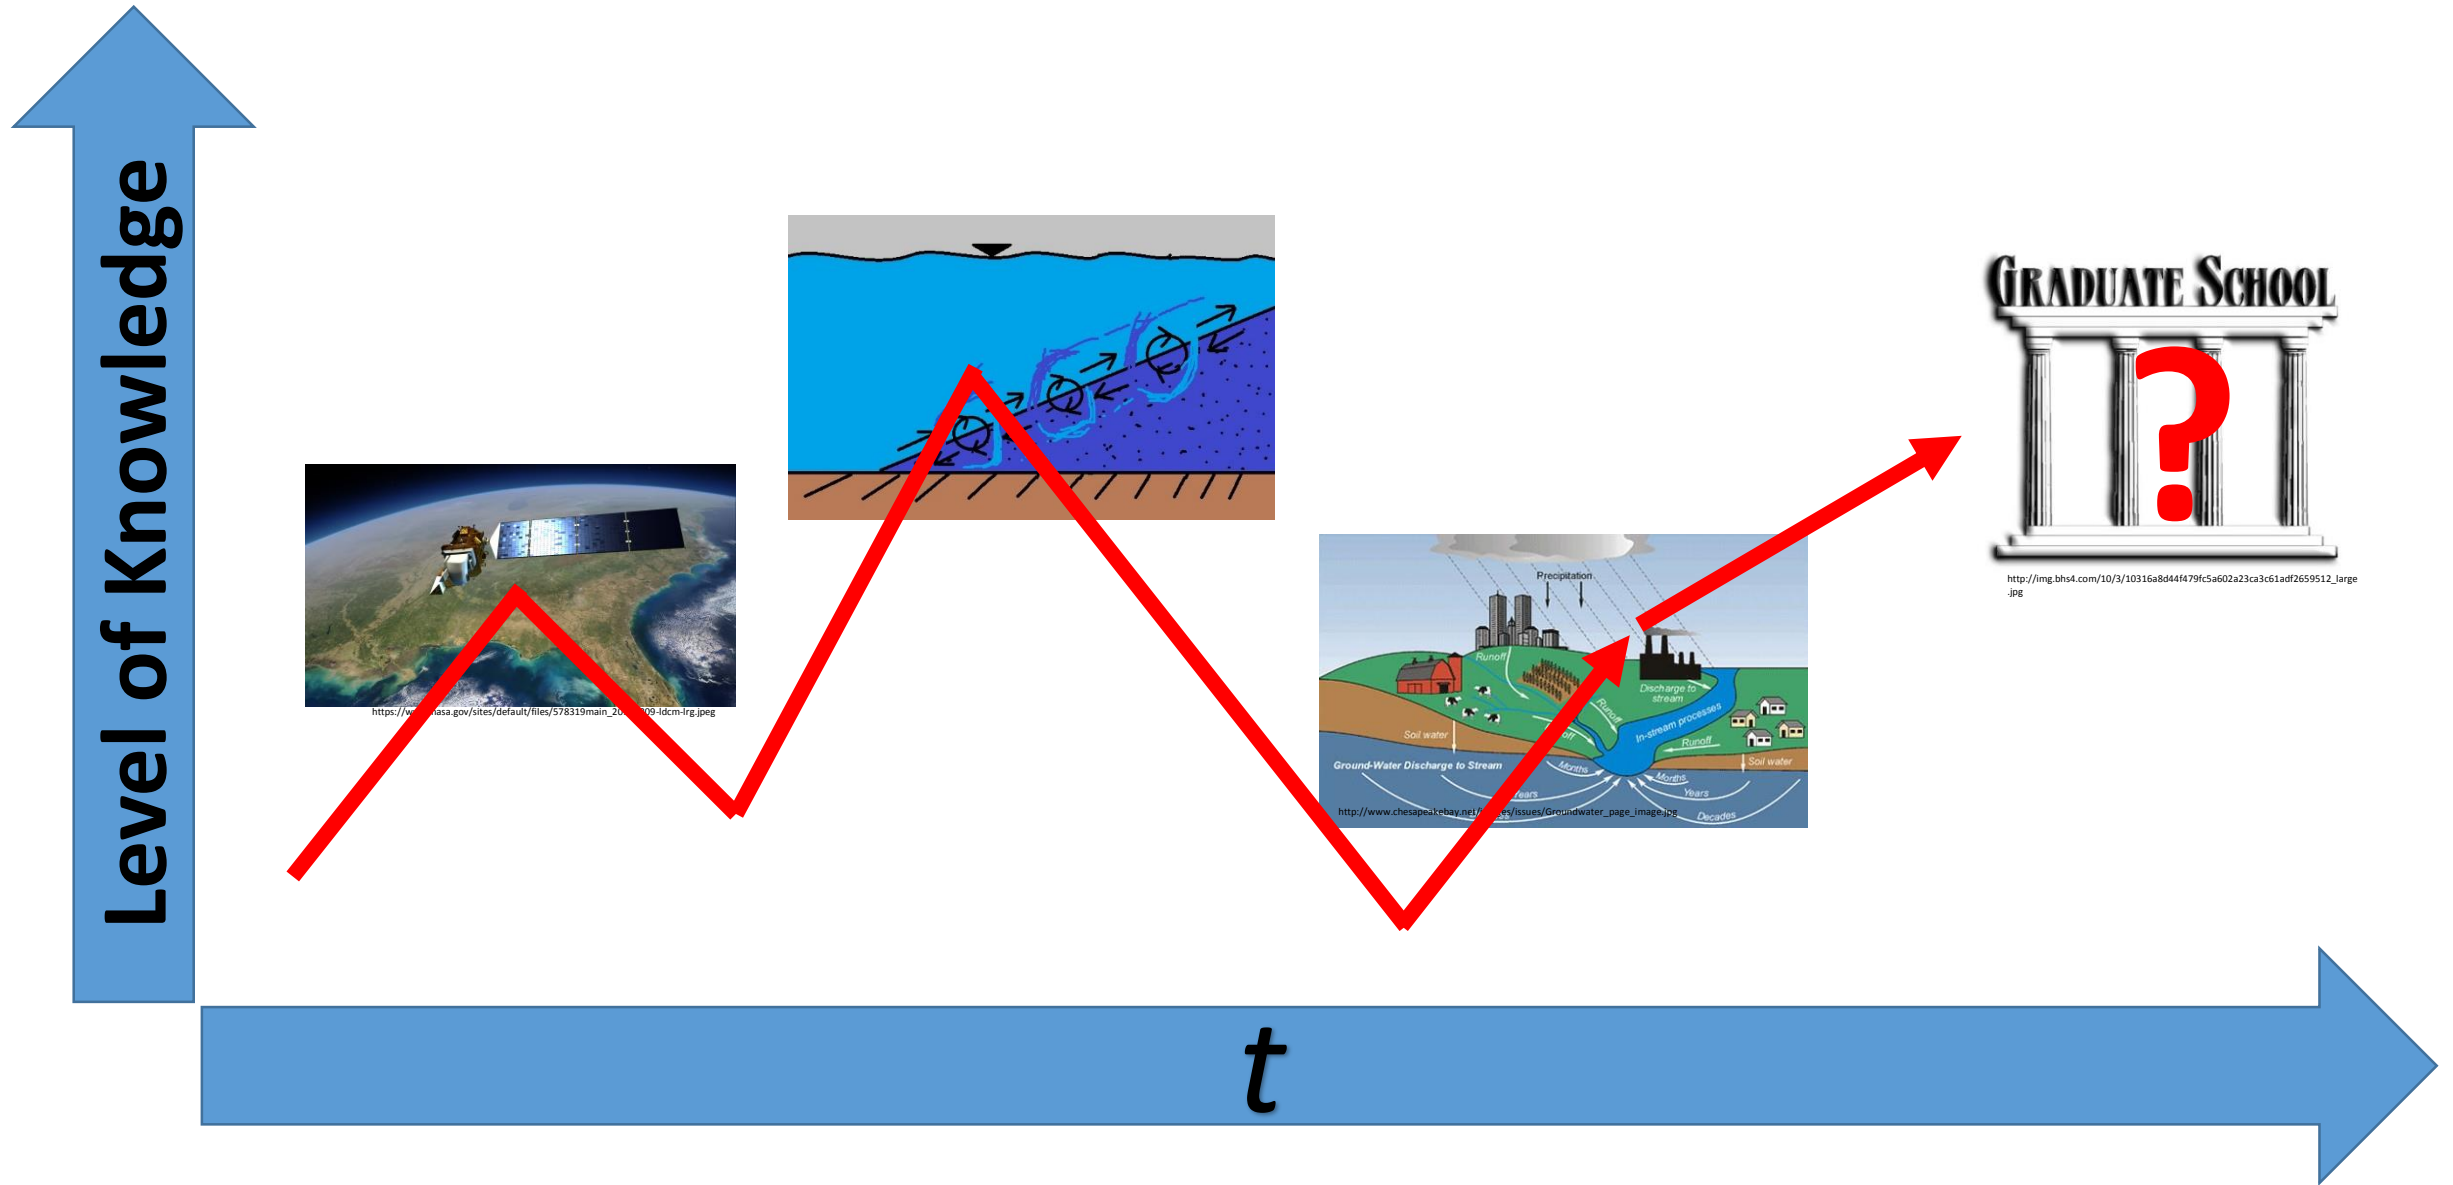

- Diversions Dataset for the Phase 6 Watershed Model
- P6 Climate Change Analyses
- Trends Analysis Literature Review
- Seasonal Kendall/GAM Comparisons

## Bottom Dissolved Oxygen Trends - Main Stem

# Future Plans/Interests
