

Social Science Working Group Update

Ellen Kohl, UMBC
Christine Kirchhoff, PSU

Perceptions of Knowledge Activity

- Different Types of Knowledge
 - Scientific and technical knowledge
 - Political knowledge
 - Experiential and local knowledge
 - Indigenous knowledge
 - Emotional Knowledge
- Case Study

Social Science Workgroup

June Meeting Knowledges Activity Feedback

- What did you learn from the multiple forms of knowledge training?
- Have you applied or shared what you learned? If so, how?
- Is there anything you would change about the activity you participated in during the retreat?
